

**CITY OF MERCER ISLAND AND MERCER ISLAND SCHOOL DISTRICT  
MEMORANDUM OF UNDERSTANDING  
FOR AID SERVICES AT HIGH SCHOOL FOOTBALL GAMES**

This Memorandum of Understanding (MOU) is entered into this 16th day of September, 2011 by and between the City of Mercer Island (City) and the Mercer Island School District (District).

The Mercer Island High School hosts 4-5 regularly scheduled varsity football games per year. The Mercer Island Fire Department provides first responder services throughout the City. To shorten response times of the Mercer Island Fire Department to any injuries that occur during regularly scheduled varsity football games, the District desires to have Mercer Island station a Fire Aid Car at the Mercer Island High School during regularly scheduled home games.

The Mercer Island Fire Department has a need for a location to wash its fire apparatus. In exchange for the District allowing Mercer Island to wash its fire apparatus at the District's washing facilities at times that do not conflict or interfere with the District's use of such facilities, Mercer Island is willing to station a Fire Aid Car with at least two firefighter/EMT's at all regularly scheduled varsity football games that take place at the Mercer Island High School.

In order to accomplish the desired results of the two agencies, the parties hereby agree as follows:

1. The City will station a Fire Aid Car with at least two firefighter/EMT's at all regularly scheduled varsity football games that take place at the Mercer Island High School. The firefighter stationed at the football games will be in addition to otherwise regularly scheduled Mercer Island firefighters.
2. The District will permit the City to use its vehicle washing facilities at mutually agreed times to wash its fire apparatus for as long as this Memorandum of Understanding remains in effect. The City will not wash its apparatus at the District's facilities at times during which it would interfere with the District's own use of the facilities.

3. This Memorandum of Understanding shall be effective starting on the 16th day of September, 2010. This Memorandum of Understanding shall be in effect until amended in writing by the parties or terminated as provided hereafter. Either party may elect to terminate this Agreement by giving written notice of termination to the other party at the address below stated. Said termination shall be effective thirty (30) days from the date of receipt of said written notice.
