Mercer Island TBD K5292-1

Attn: Chip Corder

9611 SE 36th ST, Mercer Island, WA 98040

Chip Corder,

Greetings, I am the new Department of Licensing (DOL) contract manager for the Transportation Benefit District (TBD) contracts.

Attached is a contract amendment that accomplishes the following:

- Update the DOL contract manager to including my contact information;
- Authorizes counties and cities to assume the rights of the rights, powers, functions and obligations of the TBD within their boundaries effective January 1, 2016. The assumption of rights is a result of Engrossed Second Substitute House Bill (ESSHB) 5987, an ACT relating to transportation revenue that passed in the 2015 legislation. ESSHB 5987 authorizes counties and cities in which TBD has been established pursuant to chapter 36.73 RCW with boundaries coterminous with the boundaries of the city or county may by ordinance or resolution of the city or county legislative authority assume the rights, powers, functions and obligations of the TBD.
- Removes all references to Department of Revenue (DOR) for GIS data and revises how TBD reports address corrections. TBDs will now report address corrections directly to DOL. DOL will submit a quarterly report to DOR.

Additionally, we have a new process to send the contract amendment out via DocuSign. If you are not aware, DocuSign provides electronic signature technology for facilitating electronic exchanges of contracts and signed documents. This will be a quicker and easier way for all contract documents to be signed and you will automatically receive a fully executed copy as well. If you have not used DocuSign before, or if you are having trouble viewing the DocuSign amendment and need assistance, please call me.

If you have any questions, please let me know. I am looking forward to working with you.
