Except, extensions of the period of performance and minor scope adjustments need only be signed by RCO's director or designee, unless the consent of the sponsor to an extension is required by its auditing policies, regulations, or legal requirements, in which case, no extension shall be effective until so consented.

J. COMPLIANCE WITH APPLICABLE STATUTES, RULES, AND RCFB-SRFB POLICIES

A contract is a legal instrument by which a non-Federal entity (sponsor) purchases property or services to carry out the project or program under a Federal award. A contractor is not the same as the sponsor or subrecipient. A contract is for the purpose of obtaining goods and services for the non-Federal entity's (sponsor's) own use and creates a procurement relationship with the contractor (2 C.F.R. § 200.23 (2013)).

development project - A project that results in the construction of or work resulting in new elements, including but not limited to structures, facilities, and/or materials to enhance outdoor recreation resources.

RCW - Revised Code of Washington

secondary sponsor - one of two or more eligible organizations that sponsors a grant-funded project. Of these two sponsors, only one - the primary sponsor - may be the fiscal agent.

sponsor or primary sponsor - The eligible applicant who has been awarded a grant of funds and is bound by this executed Agreement; includes its officers, employees, agents and successors. For projects funded with federal money, the sponsor is a subrecipient, which is a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency (2 C.F.R. § 200.93 (2013)).

subaward - An award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. WAC - Washington Administrative Code.

SECTION 2. PERFORMANCE BY THE SPONSOR

The sponsor and secondary sponsor where applicable, shall undertake the project as described in this Agreement, the sponsor's application, and in accordance with the sponsor's proposed goals and objectives described in the application or documents submitted with the application, all as finally approved by the RCO. All submitted documents are incorporated by this reference as if fully set forth herein. Also see Section 29: Order of Precedence.

Timely completion of the project and submission of required documents, including progress and final reports, is important. Failure to meet critical milestones or complete the project, as set out in this Agreement, is a material breach of the Agreement.

SECTION 3. ASSIGNMENT

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the sponsor without prior written consent of the RCO.

SECTION 4. RESPONSIBILITY FOR PROJECT

While the RCO undertakes to assist the sponsor with the project by providing a grant pursuant to this Agreement, the project itself remains the sole responsibility of the sponsor. The RCO undertakes no responsibilities to the sponsor, a secondary sponsor, or to any third party, other than as is expressly set out in this Agreement. The responsibility for the implementation of the project is solely that of the sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project is sponsored by more than one entity, any and all sponsors are equally responsible for the project and all post-completion stewardship responsibilities.

SECTION 5. INDEMNIFICATION

The sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence of, or the breach of any obligation under this Agreement by, the sponsor or the sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the sponsor may be legally liable.

Provided that nothing herein shall require a sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the sponsor or the sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor is legally liable, and (b) the State its employees and agents for whom it is vicariously liable, the indemnity obligation shall be valid and enforceable only to the extent of the sponsor's negligence or the negligence of the sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the sponsor may be legally liable.

This provision shall be included in any Agreement between sponsor and any contractors, subcontractors and vendors, of any tier.

The sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from an alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the sponsor or the sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the sponsor may be legally liable, in performance of the Work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to State, its agents, officers and employees pursuant to the Agreement; provided that this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to State, its agents, officers and employees by the sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or

any other persons for whom the sponsor may be legally liable.

The sponsor specifically assumes potential liability for actions brought by the sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51.

The RCO is included within the term State, as are all other agencies, departments, boards, or other entities of state government.

SECTION 6. INDEPENDENT CAPACITY OF THE SPONSOR

The sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the RCO. The sponsor will not hold itself out as nor claim to be an officer, employee or agent of the RCO or of the state of Washington, nor will the sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06 or 28B.

The sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

SECTION 7. CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, RCO may, in its sole discretion, by written notice to the sponsor terminate this Agreement if it is found after due notice and examination by RCO that there is a violation of the Ethics in Public Service Act, RCW 42.52; or any similar statute involving the sponsor in the procurement of, or performance under, this Agreement.

In the event this Agreement is terminated as provided herein, RCO shall be entitled to pursue the same remedies against the sponsor as it could pursue in the event of a breach of the Agreement by the sponsor. The rights and remedies of RCO provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

SECTION 8. COMPLIANCE WITH APPLICABLE LAW

The sponsor will implement the Agreement in accordance with applicable federal, state, and local laws, regulations and the RCO policies regardless of whether the sponsor is a public or non-public organization.

Pursuant to RCW 43.21C.0382, all of RCO's activities and programs are exempt from threshold determinations and environmental impact statement requirements.

The sponsor shall comply with, and RCO is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, and/or policies, including, but not limited to: State Environmental Policy Act; Industrial Insurance Coverage; Architectural Barriers Act; permits (shoreline, Hydraulics Project Approval, demolition); land use regulations (critical areas ordinances, Growth Management Act); federal and state safety and health regulations (Occupational Safety and Health Administration/Washington Industrial Safety and Health Act); and Buy American Act.

- A. **Nondiscrimination Laws.** The sponsor shall not discriminate against users of projects assisted with board funds on the basis of race, creed, color, sex, religion, national origin, disability, marital status, or sexual orientation and must comply with all applicable federal, state, and local nondiscrimination laws and/or policies, including but not limited to: the Americans with Disabilities Act; Civil Rights Act; and the Age Discrimination Act. In the event of the sponsor's noncompliance or refusal to comply with any nondiscrimination law or policy, the Agreement may be rescinded, cancelled, or terminated in whole or in part, and the sponsor may be declared ineligible for further grant awards from the RCO. The sponsor is responsible for any and all costs or liability arising from the sponsor's failure to so comply with applicable law.
- B. **Wages and Job Safety.** The sponsor agrees to comply with all applicable laws, regulations, and policies of the United States and the State of Washington, which affect wages and job safety. The sponsor agrees when state prevailing wage laws (RCW 39.12) are applicable, to comply with such laws, to pay the prevailing rate of wage to all workers, laborers, or mechanics employed in the performance of any part of this contract, and to file a statement of intent to pay prevailing wage with the Washington State Department of Labor and Industries as required by RCW 39.12.040. The sponsor also agrees to comply with the provisions of the rules and regulations of the Washington State Department of Labor and Industries.
- C. **Archaeological and Cultural Resources.** The RCO facilitates the review of applicable projects for potential impacts to archaeological sites and state cultural resources. The sponsor must assist RCO in compliance with Executive Order 05-05 or the National Historic Preservation Act before initiating ground-disturbing activity. The RCO requires documented compliance with Executive Order 05-05 or Section 106 of the National Historic Preservation Act, whichever is applicable to the project. If a federal agency declines to consult, the sponsor shall comply with the requirements of Executive Order 05-05. In the event that archaeological or historic materials are discovered during project activities, work in the location of discovery and immediate vicinity must stop instantly, the area must be secured, and notification must be provided to the following: concerned Tribes' cultural staff and cultural committees, RCO, and the State Department of Archaeology and Historic Preservation. If human remains are discovered during project activity, work in the location of discovery and immediate vicinity must stop instantly, the area must be secured, and notification provided to the concerned Tribe's cultural staff and cultural committee, RCO, State Department of Archaeology, the coroner and local law enforcement in the most expeditious manner possible according to RCW 68.50.

- D. **Restrictions on Grant Use.** No part of any funds provided under this grant shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, or for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to support or defeat legislation pending before the U.S. Congress or any state legislature.

No part of any funds provided under this grant shall be used to pay the salary or expenses of any sponsor, or agent acting for such sponsor, related to any activity designed to influence legislation or appropriations pending before the U.S. Congress or any state legislature.

- E. **Debarment and Certification.** By signing the Agreement with RCO, the sponsor certifies that neither it nor its principals nor any other lower tier participant are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by Washington State Labor and Industries. Further, the sponsor agrees not to enter into any arrangements or contracts related to this Agreement with any party that is on the "Contractors not Allowed to Bid on Public Works Projects" list.

SECTION 9. RECORDS

- A. **Maintenance.** The sponsor shall maintain books, records, documents, data and other evidence relating to this Agreement and performance of the services described herein, including but not limited to accounting procedures and practices, which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement. Sponsor shall retain such records for a period of six years from the date RCO deems the project complete, as defined in Section 11: Project Reimbursements. If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.
- B. **Access to Records and Data.** At no additional cost, the records relating to the Agreement, including materials generated under the Agreement, shall be subject at all reasonable times to inspection, review or audit by RCO, personnel duly authorized by RCO, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or Agreement. This includes access to all information that supports the costs submitted for payment under the grant and all findings, conclusions, and recommendations of the sponsor's reports, including computer models and methodology for those models.
- C. **Public Records.** Sponsor acknowledges that the RCO is subject to RCW 42.56 and that this Agreement and any records sponsor submits or has submitted to the State shall be a public record as defined in RCW 42.56. RCO administers public records requests per WAC 286-06. By submitting any record to the state, sponsor understands that the State may be requested to disclose or copy that record under the state public records law, currently codified at RCW 42.56. The sponsor warrants that it possesses such legal rights as are necessary to permit the State to disclose and copy such document to respond to a request under state public records laws. The sponsor hereby agrees to release the State from any claims arising out of allowing such review or copying pursuant to a public records act request, and to indemnify against any claims arising from allowing such review or copying and pay the reasonable cost of state's defense of such claims.

SECTION 10. PROJECT FUNDING AND COSTS

- A. **Additional Amounts.** The RCO shall not be obligated to pay any amount beyond the dollar amount as identified in this Agreement, unless an additional amount has been approved in advance by the director and incorporated by written amendment into this Agreement.
- B. **Before the Agreement.** No expenditure made, or obligation incurred, by the sponsor before the project start date shall be eligible for grant funds, in whole or in part, unless specifically provided for by RCO policy or the director, such as a waiver of retroactivity or program specific eligible pre-Agreement costs. For reimbursements of such costs, this Agreement must be fully executed and an original received by RCO. The dollar amounts identified in this Agreement may be reduced as necessary to exclude any such expenditure from reimbursement.
- C. **Requirements for Federal Subawards.** Pre-agreements costs before the federal award date in Section F: Project Funding Amount are ineligible unless approved by the federal award agency (2 C.F.R § 200.458 (2013)).
- D. **After the Period of Performance.** No expenditure made, or obligation incurred, following the period of performance shall be eligible, in whole or in part, for grant funds hereunder. In addition to any remedy the RCO may have under this Agreement, the grant amounts identified in this Agreement shall be reduced to exclude any such expenditure from participation.

SECTION 11. PROJECT REIMBURSEMENTS

- A. **Reimbursement Basis.** This Agreement is administered on a reimbursement basis. The sponsors may only request reimbursement for eligible and allowable costs incurred during the period of performance. The sponsor may only request reimbursement after (1) this Agreement has been fully executed and (2) the sponsor has remitted payment to its vendors. RCO will authorize disbursement of project funds only on a reimbursable basis at the percentage as defined in Section F: Project Funding Amount.

Reimbursement shall not be approved for any expenditure not incurred by the sponsor or for a donation used as part of its matching share. RCO does not reimburse for donations, which the sponsor may use as part of its percentage. All reimbursement requests must include proper documentation of expenditures as required by RCO.

- B. **Escrow Payments.** Direct payment to an escrow account of the RCO's share of the approved cost of real property and related costs may be made following RCO approval when the sponsor indicates a temporary lack of funds to purchase the property on a reimbursement basis. Prior to release of the RCO's share into escrow, the sponsor must provide the RCO with a copy of a binding agreement between the sponsor and the seller, all required documentation, and evidence of deposit of the sponsor's share into an escrow account.
- C. **Reimbursement Request Frequency.** Sponsors are encouraged to send RCO a reimbursement request at least quarterly. Sponsors are required to submit a reimbursement request to RCO, at a minimum for each project at least once a year for reimbursable activities occurring between July 1 and June 30 or as identified in the milestones. Sponsors must refer to the most recently published/adopted RCO policies and procedures regarding reimbursement requirements.
- D. **Compliance and Payment.** The obligation of RCO to pay any amount(s) under this Agreement is expressly conditioned on strict compliance with the terms of this Agreement by the sponsor.
- E. **Retainage Held Until Project Complete.** RCO reserves the right to withhold disbursement of up to the final ten percent (10%) of the total amount of the grant to the sponsor until the project has been completed. A project is considered "complete" when:
1. All approved or required activities outlined in the Agreement are done;
 2. On-site signs are in place (if applicable);
 3. A final project report is submitted to and accepted by RCO;
 4. Any other required documents are complete and submitted to RCO;
 5. A final reimbursement request is submitted to RCO;
 6. The completed project has been accepted by RCO;
 7. Final amendments have been processed;
 8. Fiscal transactions are complete; and
 9. RCO has accepted a final boundary map, if required for the project, for which the Agreement terms will apply in the future.
- F. **Sources of Eligible Match.** Applicant resources used to match board funds must be eligible in the grant program. Sources of matching resources include, but are not limited to, any one or more of the following:
1. Appropriations and cash;
 2. Value of the applicant's expenses for labor, materials, and equipment;
 3. Value of donated real property, labor, services, materials, and equipment use; and
 4. Other state or federal funds.
- G. **Requirements for Federal Subawards: Match.** The sponsor's matching share must comply with 2 C.F.R. § 200.306 (2013). Any shared costs or matching funds and all contributions, including cash and third party in-kind contributions, must be accepted as part of the sponsor's matching share when such contributions meet all of the following criteria:
1. Are verifiable from the non-Federal entity's (sponsor's) records;
 2. Are not included as contributions for any other Federal award;
 3. Are necessary and reasonable for accomplishment of project or program objectives;
 4. Are allowable under 2 C.F.R. Part 200, Subpart E-Cost Principles (2013);
 5. Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
 6. Are provided for in the approved budget when required by the Federal awarding agency identified in Section G: Federal Fund Information of this Agreement; and
 7. Conform to other provisions of 2 C.F.R. Part 200, Subpart D-Post Federal Award Requirements (2013), as applicable.

- H. **Requirements for Federal Subawards: Close out.** Per 2 C.F.R § 200.343 (2013), the non-Federal entity (sponsor) must:
1. Submit, no later than 90 calendar days after the end date of the period of performance, all financial, performance, and other reports as required by the terms and conditions of the Federal award. The Federal awarding agency or pass-through entity (RCO) may approve extensions when requested by the sponsor.
 2. Liquidate all obligations incurred under the Federal award not later than 90 calendar days after the end date of the period of performance as specified in the terms and conditions of the Federal award.
 3. Refund any balances of unobligated cash that the Federal awarding agency or pass-through entity (RCO) paid in advance or paid and that are not authorized to be retained by the non-Federal entity (sponsor) for use in other projects. See OMB Circular A-129 and see 2 C.F.R § 200.345 Collection of amounts due (2013), for requirements regarding unreturned amounts that become delinquent debts.
 4. Account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with 2 C.F.R §§ 200.310 Insurance coverage through 200.316 Property trust relationship and 200.329 Reporting on real property (2013).

SECTION 12. ADVANCE PAYMENTS

Advance payments of or in anticipation of goods or services are not allowed unless approved by the RCO director and are consistent with legal requirements and Manual 8: Reimbursements.

SECTION 13. RECOVERY OF PAYMENTS

- A. **Recovery for Noncompliance.** In the event that the sponsor fails to expend funds under this Agreement in accordance with state and federal laws, an applicable report from the state auditor's office, and/or the provisions of the Agreement, or meet its percentage of the project total, RCO reserves the right to recover grant award funds in the amount equivalent to the extent of noncompliance in addition to any other remedies available at law or in equity.
- B. **Overpayment Payments.** The sponsor shall reimburse RCO for any overpayment or erroneous payments made under the Agreement. Repayment by the sponsor of such funds under this recovery provision shall occur within 30 days of demand by RCO. Interest shall accrue at the rate of twelve percent (12%) per annum from the time that payment becomes due and owing.
- C. **Requirements for Federal Subawards.** The pass-through entity (RCO) may impose any of the remedies as authorized in 2 C.F.R §§ 200.207 Specific conditions and/or 200.338 Remedies for noncompliance (2013).
- D. **Deposit in State Account.** Any recovery of payments in this section will be deposited to the appropriate state account as identified in Section F: Project Funding.

SECTION 14. COVENANT AGAINST CONTINGENT FEES

The sponsor warrants that no person or selling agent has been employed or retained to solicit or secure this Agreement on an Agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agents maintained by the sponsor for the purpose of securing business. RCO shall have the right, in the event of breach of this clause by the sponsor, to terminate this Agreement without liability or, in its discretion, to deduct from the Agreement grant amount or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fee.

SECTION 15. INCOME AND USE OF INCOME

- A. **Income.**
1. **Compatible source.** The source of any income generated in a funded project or project area must be compatible with the funding source and the Agreement.
 2. **Fees.** User and/or other fees may be charged in connection with land acquired or facilities developed, maintained, renovated, or restored if the fees are consistent with the:
 - a. Value of any service(s) furnished;
 - b. Value of any opportunities furnished; and
 - c. Prevailing range of public fees in the state for the activity involved.
- B. **Use of Income.** Regardless of whether income or fees in a project work site (including entrance, utility corridor permit, cattle grazing, timber harvesting, farming, etc.) are gained during or after the reimbursement period cited in the Agreement, unless precluded by state or federal law, the revenue may only be used to offset:
1. The sponsor's matching resources;
 2. The project's total cost;
 3. The expense of operation, maintenance, stewardship, monitoring, and/or repair of the facility or program assisted by this project;
 4. The expense of operation, maintenance, stewardship, monitoring, and/or repair of other similar units in the sponsor's system; and/or
 5. Capital expenses for similar acquisition and/or development and renovation.
- C. **Requirements for Federal Subawards.** Sponsors must also comply with 2 C.F.R. § 200.307 Program income (2013).

SECTION 16. PROCUREMENT REQUIREMENTS

- A. **Procurement Requirements.** If sponsors have a procurement process that follows applicable state and/or required federal procurement principles, it must be followed. If no such process exists the sponsor must follow these minimum procedures:
1. Publish a notice to the public requesting bids/proposals for the project;
 2. Specify in the notice the date for submittal of bids/proposals;
 3. Specify in the notice the date for submittal of bids/proposals;
 4. Comply with the same legal standards regarding unlawful discrimination based upon race, ethnicity, sex, or sex-orientation that are applicable to state agencies in selecting a bidder or proposer.

This procedure creates no rights for the benefit of third parties, including any proposers, and may not be enforced or subject to review of any kind or manner by any other entity other than the RCO. Sponsors may be required to certify to the RCO that they have followed any applicable state and/or federal procedures or the above minimum procedure where state or federal procedures do not apply.

- B. **Requirements for Federal Subawards.** For all Federal subawards, non-Federal entities (sponsors) must follow 2 C.F.R §§ 200.318 General procurement standards through 200.326 Contract Provisions (2013).

SECTION 17. TREATMENT OF EQUIPMENT

- A. **Discontinued Use.** Equipment shall remain in the possession of the sponsor for the duration of the project or applicable grant program. When the sponsor discontinues use of the equipment for the purpose for which it was funded, RCO will require the sponsor to deliver the equipment to RCO, dispose of the equipment according to RCO policies, or return the fair market value of the equipment to RCO. Equipment shall be used only for the purpose of this Agreement, unless otherwise provided herein or approved by RCO in writing.
- B. **Loss or Damage.** The sponsor shall be responsible for any loss or damage to equipment which results from the negligence of the sponsor or which results from the failure on the part of the sponsor to maintain and administer that equipment in accordance with sound management practices.
- C. **Requirements for Federal Subawards.** Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a Federal award, until disposition takes place will, as a minimum, meet the following requirements (2 C.F.R § 200.313 (2013)):
1. Property records must be maintained that include a description of the property, a serial number or other identification number, the source of funding for the property (including the FAIN), who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the project costs for the Federal award under which the property was acquired, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.
 2. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
 3. A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft must be investigated.
 4. Adequate maintenance procedures must be developed to keep the property in good condition.
 5. If the non-Federal entity is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

SECTION 18. RIGHT OF INSPECTION

The sponsor shall provide right of access to the project to the RCO, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Agreement.

If a landowner agreement or other form of control and tenure as described in Section 22.B: Control and Tenure has been executed, it will further stipulate and define the RCO right to inspect and access lands acquired or developed with funding assistance.

SECTION 19. STEWARDSHIP AND MONITORING

Sponsor agrees to perform monitoring and stewardship functions as stated in policy documents approved by the RCO. Sponsor further agrees to utilize, where applicable and financially feasible, any monitoring protocols recommended by the RCO.

SECTION 20. PREFERENCES FOR RESIDENTS

Sponsors shall not express a preference for users of grant assisted projects on the basis of residence (including preferential reservation, membership, and/or permit systems) except that reasonable differences in admission and other fees may be maintained on the basis of residence. Even so, the RCO discourages the imposition of differential fees. Fees for nonresidents must not exceed twice the fee imposed on residents. Where there is no fee for residents but a fee is charged to nonresidents, the nonresident fee shall not exceed the amount that would be imposed on residents at comparable state or local public facilities.

SECTION 21. ACKNOWLEDGMENT AND SIGNS

- A. **Publications.** The sponsor shall include language which acknowledges the funding contribution of the applicable grant program to this project in any release or other publication developed or modified for, or referring to, the project during the project period and in the future.
- B. **Signs.** The sponsor also shall post signs or other appropriate media during the period of performance and in the future at project entrances and other locations on the project which acknowledge the applicable grant program's funding contribution, unless exempted in the RCO policy or waived by the director.
- C. **Ceremonies.** The sponsor shall notify RCO no later than two weeks before a dedication ceremony for this project. The sponsor shall verbally acknowledge the applicable grant program's funding contribution at all dedication ceremonies.
- D. **Federally Funded Projects.** When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing a project funded in whole or in part with federal money provided for in this grant, sponsors shall clearly state:
 - 1. The fund source;
 - 2. The percentage of the total costs of the project that is financed with federal money;
 - 3. The dollar amount of federal funds for the project; and
 - 4. The percentage and dollar amount of the total costs of the project that is financed by nongovernmental sources.

SECTION 22. PROVISIONS APPLYING TO DEVELOPMENT, MAINTENANCE, RENOVATION, AND RESTORATION PROJECTS

The following provisions shall be in force only if the project described in this Agreement is for construction of land or facilities in a development, maintenance, renovation or restoration project:

- A. **Document Review and Approval.** The sponsor agrees to submit one copy of all construction plans and specifications to RCO for review prior to implementation or as otherwise identified in the milestones. Review and approval by RCO will be for compliance with the terms of this Agreement. Only change orders that impact the amount of funding or changes to the scope of the project as described to and approved by the RCO must receive prior written approval.
- B. **Control and Tenure.** The sponsor must provide documentation that shows appropriate tenure (landowner agreement, long-term lease, easement, or fee simple ownership) for the land proposed for construction. The documentation must meet current RCO requirements identified in the appropriate grant program policy manual as of the effective date of this Agreement.
- C. **Nondiscrimination.** Except where a nondiscrimination clause required by a federal funding agency is used, the sponsor shall insert the following nondiscrimination clause in each contract for construction of this project:

"During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."
- D. **Use of Best Management Practices.** Sponsors are encouraged to use best management practices developed as part of the Washington State Aquatic Habitat Guidelines (AHG) Program. AHG documents include "Integrated Streambank Protection Guidelines", 2002; "Protecting Nearshore Habitat and Functions in Puget Sound", 2010; "Stream Habitat Restoration Guidelines", 2012; "Water Crossing Design Guidelines", 2013; and "Marine Shoreline Design Guidelines", 2014. These documents, along with new and updated guidance documents, and other information are available on the AHG Web site. Sponsors are also encouraged to use best management practices developed by the Washington Invasive Species Council (WISC) described in "Reducing Accidental Introductions of Invasive Species" which is available on the WISC Web site.

SECTION 23. PROVISIONS APPLYING TO ACQUISITION PROJECTS

The following provisions shall be in force only if the project described in this Agreement is an acquisition project:

- A. **Evidence of Land Value.** Before disbursement of funds by RCO as provided under this Agreement, the sponsor agrees to supply documentation acceptable to RCO that the cost of the property rights acquired has been established according to RCO policy.
- B. **Evidence of Title.** The sponsor agrees to provide documentation that shows the type of ownership interest for the property that has been acquired. This shall be done before any payment of financial assistance.
- C. **Legal Description of Real Property Rights Acquired.** The legal description of the real property rights purchased with funding assistance provided through this project Agreement (and protected by a recorded conveyance of rights to the State of Washington) shall be incorporated into the Agreement before final payment.
- D. **Conveyance of Rights to the State of Washington.** When real property rights (both fee simple and lesser interests) are acquired, the sponsor agrees to execute an appropriate document conveying certain rights and responsibilities to RCO, on behalf of the State of Washington. These documents include a Deed of Right, Assignment of Rights, Easements and/or Leases as described below. The sponsor agrees to use document language provided by RCO, to record the executed document in the County where the real property lies, and to provide a copy of the recorded document to RCO. The document required will vary depending on the project type, the real property rights being acquired and whether or not those rights are being acquired in perpetuity.
 - 1. **Deed of Right.** The Deed of Right conveys to the people of the state of Washington the right to preserve, protect, and/or use the property for public purposes consistent with the fund source. Sponsors shall use this document when acquiring real property rights that include the underlying land. This document may also be applicable for those easements where the sponsor has acquired a perpetual easement for public purposes.

2. **Assignment of Rights.** The Assignment of Rights document transfers certain rights such as access and enforcement to RCO. Sponsors shall use this document when an easement or lease is being acquired for habitat conservation or salmon recovery purposes. The Assignment of Rights requires the signature of the underlying landowner and must be incorporated by reference in the easement document.
 3. **Easements and Leases.** The sponsor may incorporate required language from the Deed of Right or Assignment of Rights directly into the easement or lease document, thereby eliminating the requirement for a separate document. Language will depend on the situation; sponsor must obtain RCO approval on the draft language prior to executing the easement or lease.
- E. Real Property Acquisition and Relocation Assistance.**
1. **Federal Acquisition Policies.** When federal funds are part of this Agreement, the sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 84 Stat. 1894 (1970)--Public Law 91-646, as amended by the Surface Transportation and Uniform Relocation Assistance Act, PL 100-17-1987, and applicable regulations and procedures of the federal agency implementing that Act.
 2. **State Acquisition Policies.** When state funds are part of this Agreement, the sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policy of the State of Washington, RCW 8.26, and WAC 468-100.
 3. **Housing and Relocation.** In the event that housing and relocation costs, as required by federal law set out in subsection (1) above and/or state law set out in subsection (2) above, are involved in the execution of this project, the sponsor agrees to provide any housing and relocation assistance required.
 4. **Condemnation.** Acquisition of real property through or as a direct result of condemnation is not eligible for funding in this Agreement. Acquisition of real property must be on a willing-seller basis.
- F. Buildings and Structures.** In general, grant funds are to be used for outdoor recreation, habitat conservation, or salmon recovery. Sponsors agree to remove or demolish ineligible structures. Sponsors must consult RCO regarding compliance with Section 8.C.: Archaeological and Cultural Resources before structures are removed or demolished.
- G. Hazardous Substances.**
1. **Certification.** The sponsor shall inspect, investigate, and conduct an environmental audit of the proposed acquisition site for the presence of hazardous substances, as defined in RCW 70.105D.020(10), and certify:
 - a. No hazardous substances were found on the site, or
 - b. Any hazardous substances found have been treated and/or disposed of in compliance with applicable state and federal laws, and the site deemed "clean."
 2. **Responsibility.** Nothing in this provision alters the sponsor's duties and liabilities regarding hazardous substances as set forth in RCW 70.105D.
 3. **Hold Harmless.** The sponsor will defend, protect and hold harmless the RCO and any and all of its employees and/or agents, from and against any and all liability, cost (including but not limited to all costs of defense and attorneys' fees) and any and all loss of any nature from any and all claims or suits resulting from the presence of, or the release or threatened release of, hazardous substances on the property the sponsor is acquiring.
- H. Requirements for Federal Subawards.** The non-Federal entity (sponsor) must submit reports at least annually on the status of real property in which the Federal Government retains an interest, unless the Federal interest in the real property extends 15 years or longer. In those instances where the Federal interest attached is for a period of 15 years or more, the Federal awarding agency or the pass-through entity (RCO), at its option, may require the sponsor to report at various multi-year frequencies (e.g., every two years or every three years, not to exceed a five-year reporting period; or a Federal awarding agency or RCO may require annual reporting for the first three years of a Federal award and thereafter require reporting every five years) (2 C.F.R § 200.329 (2013)).

SECTION 24. RESTRICTION ON CONVERSION OF REAL PROPERTY AND/OR FACILITIES TO OTHER USES

- A. Restriction on Conversion.** The sponsor shall not at any time convert any real property (including any interest therein) acquired, or facility developed, maintained, renovated, and/or restored pursuant to this Agreement to uses other than those purposes for which funds were approved without prior approval of the RCO in compliance with applicable statutes, rules, and RCO policies.

It is the intent of the RCO's conversion policy, current or as amended in the future, that all real property acquired or any project facilities developed, maintained, renovated, and/or restored with funding assistance remain in the public domain in perpetuity unless otherwise identified in Section E: On-going Obligations or as approved by the RCO.

- B. Conversions Defined.** A conversion occurs under any of the following circumstances:
1. **Conveyance.** Interests in real property are conveyed for purposes inconsistent with the intent of the Agreement and the funding source. Interests in real property include, but are not limited to, options, rights of first refusal, conservation easements, leases, and mineral rights.
 2. **Use.** Non-eligible uses (public or private) are made of the project area or a portion of the project area,
 3. **Eligibility.** Non-eligible facilities are developed with the project area without prior approve of the RCO.
 4. **Termination of Use/Non-Conformance.** The property acquired or the project developed or restored no longer meets or conforms to the purpose of this Agreement or the funding source.
 5. **Public Access.** Closure of public access sites is for longer than 180 consecutive days.

- C. **Remedies for a Conversion.** The RCO shall only approve a conversion when the sponsor has demonstrated the following:
1. All practical alternatives to the conversion have been evaluated and rejected; and
 2. The sponsor agrees to replace the entire project area or the portion of the project area affected by the conversion and assume the obligations described in Section E: On-going Obligations on the replacement property or facilities. The replacement must:
 - (a) Be of equivalent or greater usefulness and location as the original project in this Agreement;
 - (b) Be managed by the sponsor unless otherwise approved by the RCO;
 - (c) Be eligible to receive a grant from the source of funds from which this project was originally funded, unless otherwise authorized by RCO;
 - (d) If an acquisition project, be interest in real property of at least equal market value and public benefit at the time of replacement;
 - (e) If a development, renovation, or maintenance project, provide a facility of at least equal market value and public benefit as that which existed at the time of the original investment of RCO funds; and
 - (f) If a restoration project, provide restoration activities necessary to replicate the ecological benefit intended by the project; and
 3. Publish a notice of the proposed conversion and replacement and provide the public an opportunity to comment;
- D. **Change of Use.** When approved by RCO, certain activities within the eligible scope activities of this project may be removed from this Agreement without invoking a conversion. Removing activities is allowed when the RCO determines that the activities are not needed or cannot be retained due to one or more of the following conditions:
1. Obsolescence,
 2. Extraordinary vandalism,
 3. Acts of nature,
 4. Designed useful service life expectancy reached,
 5. Fire,
 6. Property or property rights lost as a result of legal action, or
 7. National Trails System Act reversion order.
- E. **Documentation.** Any conversion or change of use will be documented through a formal written amendment to this Agreement and signed by RCO and the sponsor.

SECTION 25. CONSTRUCTION, OPERATION, USE AND MAINTENANCE OF ASSISTED PROJECTS

The following provisions shall be in force only if the project described in this Agreement is an acquisition, development, maintenance, renovation or restoration project:

- A. **Property and facility operation and maintenance.** Sponsor must ensure that properties or facilities assisted with the RCO funds, including undeveloped sites, are built, operated, used, and maintained:
1. According to applicable federal, state, and local laws and regulations, including public health standards and building codes.
 2. In a reasonably safe condition for the project's intended use.
 3. Throughout its estimated useful service life so as to prevent undue deterioration.
 4. In compliance with all federal and state nondiscrimination laws, regulations and policies.
- B. **Open to the public.** Facilities open and accessible to the general public must:
1. Be constructed and maintained to meet or exceed the minimum requirements of the most current local or state codes, Uniform Federal Accessibility Standards, guidelines, or rules, including but not limited to: the International Building Code, the Americans with Disabilities Act, and the Architectural Barriers Act, as updated.
 2. Appear attractive and inviting to the public except for brief installation, construction, or maintenance periods.
 3. Be available for use by the general public without reservation at reasonable hours and times of the year, according to the type of area or facility.

SECTION 26. PROVISIONS RELATED TO CORPORATE (INCLUDING NONPROFIT) SPONSORS

A corporate sponsor, including any nonprofit sponsor, shall:

- A. Maintain corporate status with the state, including registering with the Washington Secretary of State's office, throughout the sponsor's obligation to the project as identified in the Agreement.
- B. Notify RCO prior to corporate dissolution at any time during the period of performance or long-term obligations. Within 30 days of dissolution, the sponsor shall name a qualified successor that will agree in writing to assume any on-going project responsibilities. A qualified successor is any party eligible to apply for funds in the subject grant program and capable of complying with the terms and conditions of this Agreement. RCO will process an amendment transferring the sponsor's obligation to the qualified successor if requirements are met.
- C. Sites or facilities open to the public may not require exclusive use, (e.g., members only).

SECTION 27. PROVISIONS FOR FEDERAL SUBAWARDS ONLY

The following provisions shall be in force only if the project described in this Agreement is funded with a federal subaward as identified in Section G: Federal Fund Information.

- A. **Equal Employment Opportunity.** Except as otherwise provided under 41 C.F.R. 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 Fed. Reg. 12319, 12935, 3 C.F.R. 1964, 1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Federally assisted construction contract means any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work. (41 C.F.R. § 60-1.3)

Construction work means the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction. (41 C.F.R. § 60-1.3)

- B. **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities (sponsors) must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity (sponsor) must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity (sponsor) must report all suspected or reported violations to the Federal awarding agency identified in Section G: Federal Fund Information.

The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U. S. C. 3145), as supplemented by Department of Labor regulations (29 C.F.R Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient (sponsor) must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity (sponsor) must report all suspected or reported violations to the Federal awarding agency identified in Section G: Federal Fund Information.

- C. **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-Federal entity (sponsor) in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous.
