Are you co-applying with another entity/entities to meet the requirements of the MS4 permit?

Yes No

Co-Permittees:

None

You must add contact information above for the Co-Permittee.

Permittees that co-apply are responsible for meeting permit conditions related to their discharge(s). **You must include as an attachment to this NOI a summary of the permit obligations that will be carried out jointly among co-applicants. The summary must identify the other co-applicant(s) and must be signed by the other co-applicant(s).**

Are you relying on another entity to satisfy one or more of the requirements of the permit?

Yes No

Permittees that rely on another entity to satisfy one or more of their permit obligations remain responsible for permit compliance if the other entity fails to implement the permit conditions. Permittees may rely on another entity provided:

1. The other entity agrees to take on responsibility for implementation of the permit requirements, and
2. The other entity implements the permit requirements.

You must include as an attachment a summary of the permit obligations that will be carried out by another entity. The summary must identify the other entity or entities and must be signed by the other entity or entities.
