3600 East Mercer Way

Full details at www.mercerisland.gov/recyclingevent

COMPOST BIN SALE

The City is offering compost bins for \$25 (cash only) while supplies last. Start backyard composting with a compost bin to save resources and money!

Composting turns yard waste into rich soil. Yard waste contains mostly water. Once the material decomposes, rich soil is all that's left. No pre or post event sales.

RAIN BARREL SALE

To encourage the use of recycled plastic material and more efficient use of water, the City is offering recycled plastic rain barrels at a big discount.

A very limited supply of Rain barrels will be available for \$25 (cash only) during the recycling event, **while supplies last**. One barrel per person. No pre or post event sales.

DONATE TO THE MIYFS FOOD PANTRY

The MIYFS Food Pantry has been working hard to keep up with increased demand from COVID-19. For sanitation reasons, we are no longer delivering packaged food.

We appreciate donations in the form of grocery gift cards (\$10, \$25 or \$50) or cash/credit donations. All is tax deductible and goes to helping Islanders in need.

WORM BIN SALE

Worm bin composting is an efficient way to convert kitchen scraps into nutrient-rich compost for your garden. Simple to assemble and can be stored in or outside. Made in the US and constructed from high quality recycled plastic, worm bins are just \$25 each (cash only) while supplies last.

No pre or post event sales.
