

## East and West Mercer Way Trenchless Culvert Replacement Project

Hyperlinks below will direct viewers to CCTV footages of the five (5) culverts that are being lined for the above referenced project. They are for viewers' references only and are not part of the bid document. Pipe conditions and defects shown may have changed since the recording.

RELY ON THIS DATA AT YOUR OWN RISK. This data set is a compilation of videos from third-party providers and is intended for internal reference use only by the City of Mercer Island. The City makes no representation or warranty with respect to the accuracy or currency of the data. All data should be independently verified. The City shall not be liable under any circumstances for any losses or damages which may arise from any use of the data set.
