

Phase 2 PRV Replacements

Design Bid No. 23-32

ADDENDUM No. 1

Released: October 5, 2023

Bid Due: 2 pm (PST), **October 11, 2023**, to publicworks@mercerisland.gov

This addendum is for the Phase 2 PRV Replacements Design, issued September 21, 2023. The document is posted to capture any questions received via e-mail during the open question period.

The addendum shall become fully part of the above-named project RFQ. Each bidder shall be responsible for reading this addendum to ascertain to what extent and in what manner it affects the work to be performed. The original Bid Document remains in effect and is not changed by this Addendum except as indicated.

Questions and Answers

<ul style="list-style-type: none">• Is geotechnical engineering within the consultant scope of work for this project?	Yes, for design purposes only.
<ul style="list-style-type: none">• Does the conflict-of-interest disclosure count towards the 10-page maximum?	No, this will be allowed and not count toward the 10-page maximum.
<ul style="list-style-type: none">• Does a State of Washington business license qualify as a license to work in the city?	We will need a Mercer Island Business License in order to perform work for Mercer Island. If the consultant does not have this yet, they can note that they will apply and receive one before they are under contract.
