New Location! City Hall Parking Lot
9611 SE 36th Street

COMPOST & WORM BINS

The City is offering compost and worm bins for \$25 (**cash only**) while supplies last. Start backyard composting with a compost bin or worm bin today!

Composting decomposes yard waste, removes most of the water, and creates rich soil. No pre or post event sales.

RAIN BARREL SALE

To encourage the use of recycled plastic material and more efficient use of water, the City is offering recycled plastic rain barrels at a big discount.

Rain barrels will be available for \$25 (**cash only**) during the recycling event, while supplies last. One barrel per person. No pre or post event sales.

DONATE TO THE MIYFS FOOD PANTRY

The MIYFS Food Pantry has been working hard to keep up with increased demand. For simplicity, we're no longer accepting food donations.

We appreciate donations in the form of grocery gift cards (\$10, \$25 or \$50) or cash/credit donations. All is tax deductible and goes to helping Islanders in need.

NEW STYROFOAM RECYCLING PILOT

At this Spring 2023 Event, we are piloting the addition of new accepted items... For this event you can bring along white Styrofoam blocks

(marked as #6 or "EPS") or any color of packing peanuts, for FREE.
