CONSTRUCTION IN THE AREA

Date: June 15, 2021 (Tuesday)

Time: 9:00 a.m. to 5:00 p.m.

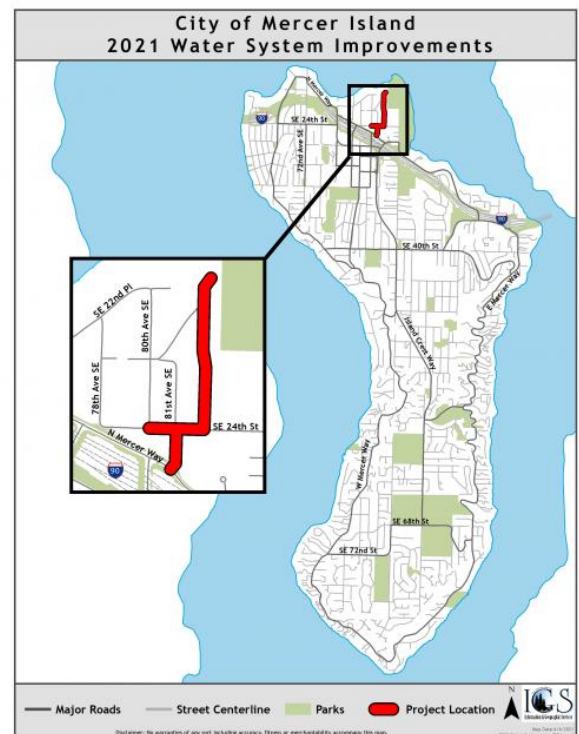

Location: 81st Ave SE – Mercer Isle Main Entrance to N Mercer Way

A water main shutdown will affect your neighborhood on Tuesday, June 15, 2021, from 9:00 a.m. to 5:00 p.m. This shutdown is necessary for our contractor to install a new service line for Mercer Isle water meter and to abandon an existing water main connection at the intersection of 81st Ave SE and N Mercer Way.

Partial lane closure in the areas is expected. Traffic control will be provided by the contractor.

You may notice some discolored water when the water service resumes after the shutdown. This should disappear after running the faucet or an outside hose bib for several minutes.

Please contact the Utilities Engineer, Rona Lin, at (206) 275-7806 or email at: rona.lin@mercerisland.gov, if you have any questions.

Thank you for your patience during this project.
