Additional Information:

Date: June 16, 2021 (Wednesday)

Time: 9:00 a.m. to 5:00 p.m.

Location: SE 62nd St and 82nd Ave SE

A water main shutdown will affect your neighborhood on Wednesday, June 16, 2021, from 9:00 a.m. to 5:00 p.m.

This shutdown is necessary for our contractor to remove and replace several old water service connections in the area.

Partial lane closure in the areas is expected. Traffic control will be provided by the contractor.

You may notice some discolored water when the water service resumes after the shutdown. This should disappear after running the faucet or an outside hose bib for several minutes.
