Re: 76<sup>th</sup> Avenue SSE Mid-Block Crosswalk Project  
Construction Notification

Dear Island Resident:

Construction of the 76<sup>th</sup> Avenue Mid-Block Crosswalk is ready to start soon. The City awarded the project to NPM Construction Co. from Maple Valley, Washington. We anticipate the work to start on June 2, 2022 and be substantially completed by the beginning of July, 2022.

The general scope of work for this project includes the following improvements:

- Construction of new crosswalk with median refuge island
- Installation of Rectangular Rapid Flashing Beacon

The project will take place on the 2400 block of 76<sup>th</sup> Avenue SE, as shown in the map on the following page.

NPM will maintain two-way traffic in the work area. Sidewalk closures are expected for several construction days and will impact pedestrian routes. Alternate pedestrian routes will be provided.

Like all roadway construction, disruptions to traffic within project boundaries are expected. Your cooperation and patience throughout the duration of this project will be much appreciated.

Construction information and updates can be viewed at:
