## PUBLIC WORKS

### Additional Information:

**Project:** Booster Chlorination System

**Date:** May 24, 2022 (Tuesday)

**Time:** 9:00 a.m. to 5:00 p.m.

**Location:** 4400 Block E Mercer Way

A water main shutdown on E Mercer Way may affect the water volume on your service line temporarily on Tuesday, May 24, 2022, from 9:00 a.m. to 5:00 p.m.

This shutdown is necessary for our contractor to make modifications to a water main connection on E Mercer Way. Due to the valve isolation, your water service will be at the end of the distribution line and therefore may receive low volume of water during this shutdown.

If any discolored water and/or air bubbles when service returns to normal, please run the faucet or outside hose bib for several minutes.

### Contact:

Utilities Engineer, Rona Lin

(206) 275-7806 or email at: [rona.lin@mercergov.org](mailto:rona.lin@mercergov.org)

Project Site Inspector, Stu George

(206) 771-4789 or email at: [stu.george@mercergov.org](mailto:stu.george@mercergov.org)
