2023 Water System Improvements

Dear Island Resident,

Construction of the 2023 Water System Improvements Project is ready to start soon. The City Council, at their July 19, 2023, council meeting, awarded the project to Kar-Vel Construction. The construction is anticipated to start at the end of September 2023 and be completed by the end of March 2024.

The general scope of work for this project includes the following water system improvements:

- Replace, upsize, and install approximately 6,500 linear feet of water main.
- Replace approximately 145 water services and 14 fire hydrants:
- Construct 24 water main connections; and

The project will take place in the following areas, as shown in red shade on the map on the back:

- 60th Ave SE from SE 27th to SE 32nd St.
- 62nd Ave SE from SE 24th St. to SE 27th St.

Water main shutdowns will be required to install and abandon water mains and fire hydrants, and to reconnect water services. Advance notices will be provided to affected residences prior to each shutdown.
